Due to the fires that have occurred in our County and Central region we inform the population that, even though the support teams that were set up are on the ground to make a survey of the damage caused by this calamity, the municipality of Tábua offers a Support Office for the victims of the fires in the City Hall building.

We report that the above Office consists of the following elements:

-1 Psychologist; 1 Social Worker Technician; 1 Element of the Works, Private and Urban management Division; 1 Forest Office Element.

NOTE: for more information please contact the Parish Council of your residence or the Town Hall.
